

TuCARE

Tuolumne County Alliance for Resources and Environment

August 8, 2024

Hello!

My name is Amy Dunlap, and I am pleased to be joining Tuolumne County Alliance for Resources & Environment (TuCARE) as your Executive Director and Education Coordinator. I have lived in Tuolumne county since I was seven years old and I am very passionate about my home county .My husband, Cody, and our 3-year-old daughter mean everything to me, and they are what drove me to apply for this position. Being able to help our community and work in an environment that I enjoy is what everyone dreams of. I hope to exceed your expectations as I continue on in this position.

I have over eight years of experience in the Financial Industry, I am a Notary Public, and I am currently a Real Estate Agent for Coldwell Banker Segerstrom in Sonora. With my business knowledge, I plan to bring some new touches to TuCARE's processes and continue to evolve the great work that Melinda Fleming has done. One of the projects I am currently working on is to make our memberships easily trackable for easier renewal. And I am open to any and all suggestions on how to make our processes smoother.

On Saturday, October 5, 2024, TuCARE will hold a Natural Resources Expo in the Sierra Building at the Motherlode Fairgrounds in Sonora. This Expo is open to the public and admission is free. I would like to invite you to join us at the Expo with your family. Starting at 12:00 p.m., we plan to have booths open from different agencies, businesses, and groups from across the county for the public to visit to ask questions and get answers. This is a family event and will also feature a heavy equipment display in the arena, as well as a presentation from Kodama Systems. There will also be food trucks and kids activities as.

I look forward to seeing you there!

Sincerely,

Amy Dunlap, Executive Director/Education Coordinator
